LOT NO:

GENERAL INFORMATION

Blast Injectable is an advanced injectable acid with the performance of strong mineral acids, combined with better safety. It is a blended acid formulation that will reduce bicarbonates in the water and carbonates in the soil.

Blast Injectable is recommended for use on fine turf-grasses such as those found on golf courses, athletic fields, and other highly maintained areas.

USE RATES

Inject Blast Injectable at a rate of 1-2 gallons per acre monthly or as needed. For best results inject on a night when applying lower volumes of water. For more severe conditions, inject 2 gallons per acre every other week until the conditions improve. Then maintain conditions by applying 1-2 gallons monthly or as needed.

STORAGE AND DISPOSAL

- Must NOT be disposed of together with household garbage. Do not allow product to reach sewage system.
- Disposal must be made in accordance with local, state, and federal regulations.

PRECAUTIONARY STATEMENTS

- IF SWALLOWED: immediately call a POISON CENTER or doctor/physician
- IF ON SKIN (or hair): Remove/Take off immediately all contaminated clothing. Rinses skin with water/shower.
- IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
- Immediately call a POISON CENTER or doctor/physician.
- Store locked up.
- Dispose of contents/container in accordance with local/regional/national/international regulations.

FIRST AID MEASURES IN CASE OF CONTACT

- **GENERAL INFORMATION:** Immediately remove any clothing soiled by the product. Symptoms of poisoning may even occur after several hours; therefore medical observation for at least 48 hrs after the accident.
- **EYE:** Rinse opened eye for several minutes under running water. Then consult a doctor. Call a doctor immediately. Remove contact lenses, if present. Hold eyelids apart and flush with water for at least 15 minutes.
- **SKIN:** Immediately wash with water and soap and rinse thoroughly.
- **INGESTION:** Immediately call a doctor. Drink copious amounts of water and provide fresh air. Immediately call a doctor.
- **INHALATION:** In case of unconsciousness, place patient stably in side position for transportation.

Applicators and other handlers should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove protective clothing and equipment after handling. Wash the outside of gloves before removing. Wash thoroughly and change into clean clothing.

For technical information and Safety Data Sheet (SDS), contact Aquatrols at 1-800-257-7797 or visit our website at www.aquatrols.com.

IMPORTANT

Concentrated Blast Injectable is corrosive. Application equipment should be POLYPROPYLENE or PVC (TYPE 1). STAINLESS STEEL equipment should be flushed with water immediately following use. At label dosage rates in irrigation water, Blast Injectable will not harm aluminum sprinkler pipes, sprinkler pumps, metal components in irrigation systems.

**CONDITIONS OF SALE
LIMITATION OF LIABILITY AND REMEDIES
AQUATROLS CORPORATION OF AMERICA**

Injury to the crop on which the product is applied may result from the occurrence of extraordinary or unusual weather conditions, the failure to follow the label directions or good application practices, all of which are beyond the control of the seller. In addition, failure to follow label directions may cause injury to other crops, animals, man, or the environment.

This product is to be used and applied according to the label directions by professionals trained in the use of agricultural chemicals.

This material is not intended for use by, nor should be used by, consumers. The seller warrants that this product conforms to the chemical description on the label.

The seller makes no other warranties or representations of any kind, expressed or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the seller for any cause of action relating to the handling or use of this product is claim for damage, and in no event shall damages or any other recovery of any kind against the seller exceed the price of the product which causes the alleged loss, damage, injury or other claim. The seller shall not be liable and any and all claims against the seller are waived, for special, indirect, incidental or consequential damages or expenses, of any nature including but not limited to, loss of profits or income, or any liability incurred by the buyer to any third party in any way arising out of or relating to the handling, repackaging from original container or the relabeling by the buyer or user, or use of this product, whether or not based on the seller's negligence, breach of warranty, strict liability in tort or any other cause of action.

The seller offers this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
