Desaltus 2.0

Contains non-plant food ingredients:

- Active ingredient: 43.5% Polymaleic Acid [2-Butenodioic Acid] (Homopolymer)
- Inert ingredient: 45.7%

Not recommended for use as a fertilizer substitute

All ingredients are exempt from the requirements of a tolerance as specified in 40 CFR 180.1051(c), NOT A PLANT FOOD INGREDIENT.

Covered by one or more US patents: US Patent No. 6,460,290; 6,851,219

Density at 27°F = 9.6 lbs/gal

270 gallons (1022 L)

General information

Desaltus 2.0 removes sodium from the rootzone, minimizing soil compaction and allowing for greater root development. Desaltus 2.0 includes a patented proprietary blend of surfactant technology that helps infiltration and distribution of water into the rootzone.

Use rates

Apply 1 to 4 quarts of Desaltus 2.0 with a spray volume of 40 to 50 gallons of water per acre. Follow by 1 to 4 quarts of Desaltus 2.0 with a spray volume of 40 to 50 gallons of water per acre weekly or monthly as needed.

Desaltus 2.0 can be metered into irrigation systems.

Storage and disposal

- Keep container tightly closed. Store in original container only. Keep in a secure and locked storage area. Do not add water to the contents of this container.
- Dispose of contents/container in accordance with all applicable local/regional/national regulations.

Precautionary statements

- Avoid breathing mists/vapors/spray.
- Wash contaminated skin thoroughly after handling.
- Contaminated work clothing should not be allowed out of the workplace. Wash contaminated clothing before reuse.
- Wear protective gloves/goggles.

First aid measures in case of contact

- **If on skin:** Remove immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or a rash occurs: get medical attention/advice.
- **If in eyes:** Rinse cautiously with water for 20 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: get medical attention/advice.

Applicators and other handlers should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove protective clothing and equipment after handling. Wash the outside of gloves before removing. Wash thoroughly and change into clean clothing.

Conditions of sale

LIMITATION OF LIABILITY AND REMEDIES

Aquatrols Corporation of America

Injury to the crop on which the product is applied may result from the occurrence of extraordinary or unusual weather conditions, the failure to follow the label directions or good application practices, all of which are beyond the control of the seller. In addition, failure to follow label directions may cause injury to other crops, animals, man, or the environment. This product is to be used and applied according to the label directions by professionals trained in the use of agricultural chemicals.

This material is not intended for use by, nor should be used by, consumers. The seller warrants that this product conforms to the chemical description on the label. The seller makes no other warranties or representations of any kind, expressed or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.
